Mountain Side	3	3	4	3	4	4	4	4	5	5	35	1st	The image portrays peacefulness. The place is inviting. Optimally it would be a stronger image if you could include more of the reflection but that might not be possible without a very tall tripod.	Jeremia Gardiner
Church Sunday	3	5	4	3	5	3	3	5	4	4	35	2nd	Black and white give this an interesting mood. Nice sky.	Jeremia Gardiner
Coins of Remembrance	3	4	4	3	4	4	3	4	4	4	33	3rd	Well balanced image. Tells a story and I want to know more about the relationship of the photographer to the	Donitta Gardiner
Gone Fishing	4	3	4	4	3	3	4	4	4	4	33		Lovely colors and scene and I like how the water leads your eye into the image. The red boat adds a nice punch, but the impact would be stronger if it was farther into the	Jeremia Gardiner
Happy Dog	3	4	4	3	4	4	3	4	4	4	33		Dog does look happy. Sharp and in focus.	Donitta Gardiner
Knocker	3	4	4	3	4	3	3	4	3	3	31		Nice design & texture. The knocker is cropped a bit too tightly and should be straightened. The image works well in black and white, but could be lightened a little.	Donitta Gardiner

Dawn Patrol	5	5	4	4	5	5	4	4	4	4	40	3rd	Love the symmetry of this composition and the clouds are gorgeous. It seems a bit dark, can the shadows be brought up some without blowingout the highlights?	Michael Callison
Into_the_Unknown	4	4	5	4	4	5	4	5	5	5	40		Very interesting perspective. I like the composition. But am bothered by the bottom right corner.	Stephanie Nelson
Upside Down	4	5	3	4	5	4	4	5	4	4	38		Very unique! Nice focus, color and story!	Richard Wacha
Cesarea_Israel	3	4	4	5	4	4	4	4	4	4	36		I love the composition, it is very nice sweeping C curve. Your stop action on the water is perfect. However, the sky is extremely noisy and very distracting.	Stephanie Nelson
Fresh Water Float	4	4	4	4	3	4	4	4	4	4	35		Good detail of the ice and snow. Bavckground nicely out of focus. Need a wider angle to get a better	Elaine Sagers

The Ice Pixie	4	5	3	4	5	3	4	5	3	3	36		I do see the pixie, and she is cute... but if that is your subject, I was not naturally drawn to it. Perhaps a different crop? Also, the out-of-focus area in the ice is a	Gary Rothfus
