Showy Prairie Plant	4	3	3	3	3	3	4	4	4	31		Interesting picture. Like the dof and the colors are interesting and the leaf is washed out. It might help to lighten up lower left corner. Subject looks bleached out.	Dwight Tomes
Bee and Flowers	4	4	4	4	4	4	4	3	4	35		Like how the bee is extremely sharp. good shutter speed. Like the timing the bee has nose in the flower. Like the complementary colors. Bee in its environment.	Stephanie Nelson

State Fair	4	3	4	3	4	3	3	3	5	32		Use of b& W is good tonal range. interesting picture to stucy, can spend a lot of time with it. the busyness throws away the impact.	Steve Guns
Oregon Lighthouse	4	4	3	4	4	4	4	4	3	34		Like the color combo the most. warm colors contrast with sky. like the position of subject. the road on ritght is distracting if it had angled toward lighthouse more. Like the ray in the sky	Nancy Brown
Mother Robin	3	4	3	4	3	4	4	3	3	31		Sweet picture of mommy wish you could see baby. Good pic of nature. good dof and contrast could be more saturated. Focus is not on the eye but it has a good catch light.	Jack Howells
Sullivan Jewel Box Bank	4	4	4	5	4	5	4	5	4	39	3	Its is a nice classical arch photo. like the colors red brown gold blue. like the composition framed with the blue and vertical golds. Modern look on classical building. edgy composition.	Steve Guns
Iowa Swallowtail	4	4	4	4	4	4	5	4	4	37		Like the composition or the placement and leaves give it a strong diagonal and the color of butterfly really stands out against the colors.	Jack Howells
