Cactus	3	4	3	4	4	4	4	3	3	Up front is nice and sharp but loses its detail toward the back. Tonal range is good. Focal range could be slightly better.	32		Stephanie Nelson
Cardinal in Winter	4	4	4	4	3	4	4	4	4	I like the way the bird pops out of the background. There could be a little more detail in the bird and less in the branches. Maybe a tighter crop.	35		Mike Remus
Dreaming of Daisies	5	5	5	4	4	4	5	4	5	very unique and creative image. I could spend a long time looking at it. Lower right corner is a little dark, so maybe a slight crop on the right.	41	HM	Diane Lowry
Flower	4	4	5	4	4	4	4	4	3	Colorful photo and good capture. Maybe a tighter crop on the left to take off some of the darkness. Slightly soft.	36		Stephanie Nelson
FLW Still Life 2	4	3	5	4	4	3	4	4	3	The color tone is good. A little soft on the flowers. Good capture of a still life.	34		Steve Guns
Garden Visitor	5	4	4	4	4	3	4	4	3	Great colors and good placement of the butterfly. You might want to consider a tighter crop to eliminate some of the flowers where the detail is soft.	35		Jack Howells
Gaslog Wellington	3	4	3	3	4	3	4	4	3	Tonal range is good and the drama of the clouds. Needs more room on the left for the ship to move into.	31		Mike Remus
Looking for Nectar	5	5	5	4	5	5	5	4	5	Great job on stopping the action of the hummingbird. Colors are great, the flowers pop, and I like seeing the catch light.	43	3	Janie Lawson
Meridian Bridge	5	5	4	5	4	5	4	3	4	Everything is nice and sharp. I like that the lamp is in a power position. Nice tonal range from light to dark. Well executed.	39		Barbra Ritchison
Sunset Voyage on Lake Superior	5	5	4	5	5	4	4	5	4	Colors are great and the mood that it sets. It puts you at peace when viewing. Sharpness of the water and the boat is good.	41	HM	Janie Lawson
Taliesin Triangles 2	5	5	5	5	5	5	5	4	5	The red in the photo gets your attention and you follow the Vs down the line. Very sharp throughout. Interesting light.	44	1	Steve Guns
Tall Tulips	3	3	3	3	3	3	3	4	4	Great colors. Flowers are good and sharp. Nice DOF. Sky is a little blown out and detract from the flowers.	29		Mike Remus
The Waiting Room	5	5	5	5	4	4	5	5	3	Tonal range is nice. Repeating elements good. Very sharp. Elements are great.	41	HM	Steve Guns
Thistles	5	5	5	4	4	5	4	4	4	The flowers are very sharp all the way through. Foliage is a little distracting. Maybe a little darker through.	40		Chuck King
Window to Des Moines	5	5	4	4	5	5	4	5	4	Great DOF and interesting image. You can see part of the windowframe. Maybe a little more contrast.	41		Jack Howells
Woodpecker	5	5	5	5	5	4	5	5	5	Catch light and the color throughout the bird is great. Focus is good. Good shot.	44	2	Diane Lowry
